

## **Quanergy Names Kevin Amiri Senior Vice President Operations to Maximize Long Term Growth**

**SUNNYVALE, January 18, 2022** – [Quanergy Systems, Inc.](#), a leading provider of OPA-based solid-state LiDAR sensors and smart 3D solutions for automotive and IoT, announced today it has appointed Kevin Amiri as the company’s Senior Vice President, Operations. Amiri has more than 20 years of deep operational and manufacturing experience.

Amiri will be based in Sunnyvale, California, in the heart of Silicon Valley, and will help lead Quanergy’s efforts to build on its strong operational foundation to drive growth and further enhance Quanergy’s global market position. Amiri’s experience of driving operational efficiencies and optimization at other companies will further accelerate Quanergy’s growth and global impact.

Amiri brings senior level operational leadership and deep semiconductor and optical experience. Most recently, Amiri was VP, Operations at Crocus Technology, a fabless semiconductor startup that develops and supplies magnetic sensors and embedded memory solutions. Amiri’s charter will be to optimize Quanergy’s operational execution while laying the foundations for a high scale semiconductor-centric manufacturing strategy.

“Kevin Amiri is a proven manufacturing leader, who brings a unique combination of strategic thought leadership and deep knowledge of semiconductors,” said Dr. Kevin Kennedy, CEO of Quanergy Systems. “I look forward to partnering with him, as we continue to execute our strategy to make our LiDAR solutions broadly available to the fast growing IoT and automotive markets.”

Amiri will report to Kennedy and oversee Quanergy’s global operations organization, including IT, facilities, procurement, R&D support, NPI pilot build, supply chain and supplier management, quality, certifications and demand systems planning.

“I am excited to join Quanergy, a company that I’ve admired with a long history of innovation and technology leadership,” said Amiri. “Quanergy’s rich product capabilities, manufacturing and experienced leadership positions the company to capitalize on the demand for LiDAR solutions across the globe.”

In June 2021, Quanergy entered into a definitive merger agreement with CITIC Capital Acquisition Corp. (NYSE: CCAC) (“CCAC”). Upon closing of the transaction, the combined company will be named Quanergy Systems, Inc. and is expected to be listed on the New York Stock Exchange (NYSE) under the ticker symbol “QNGY.” The transaction is expected to close in the first quarter of 2022, subject to satisfaction of customary closing conditions.

No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act.

### **Forward-Looking Statements**

This press release includes certain statements that are not historical facts but are forward- looking statements for purposes of the safe harbor provisions under the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements generally are accompanied by words such as "believe," "may," "will," "estimate," "continue," "anticipate," "intend," "expect," "should," "would," "plan," "predict," "potential," "seem," "seek," "future," "outlook," "project," "anticipate," "will likely result" and similar expressions that predict or indicate future events or trends or that are not statements of historical matters. All statements, other than statements of present or historical fact included in this press release, including those regarding CCAC's ability to consummate the proposed Business Combination, anticipated timing of the proposed Business Combination, and the combined company's future products and growth are forward-looking statements. These statements are based on various assumptions, whether or not identified in this press release, and on the current expectations of the respective

management of CCAC and Quanergy and are not predictions of actual performance. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of CCAC or Quanergy. Potential risks and uncertainties that could cause the actual results to differ materially from those expressed or implied by forward-looking statements include, but are not limited to, changes in domestic and foreign business, market, financial, political and legal conditions; the inability of the parties to successfully or timely consummate the proposed Business Combination, including the risk that any regulatory approvals are not obtained, are delayed or are subject to unanticipated conditions that could adversely affect the combined company or the expected benefits of the proposed Business Combination or that the approval of the shareholders of CCAC or Quanergy is not obtained; the inability to complete the PIPE offering in connection with the Business Combination; failure to realize the anticipated benefits of the proposed Business Combination; risk relating to the uncertainty of the projected financial information with respect to Quanergy; the amount of redemption requests made by CCAC's shareholders; the overall level of consumer demand for Quanergy's products; general economic conditions and other factors affecting consumer confidence, preferences, and behavior; disruption and volatility in the global currency, capital, and credit markets; the ability to maintain the listing of Quanergy's securities on the New York Stock Exchange; the financial strength of Quanergy's customers; Quanergy's ability to implement its business strategy; changes in governmental regulation, Quanergy's exposure to litigation claims and other loss contingencies; disruptions and other impacts to Quanergy's business, as a result of the COVID-19 global pandemic and government actions and restrictive measures implemented in response; stability of Quanergy's suppliers, as well as consumer demand for its products, in light of disease epidemics and health-related concerns such as the COVID-19 global pandemic; the impact that global climate change trends may have on Quanergy and its suppliers and customers; Quanergy's ability to protect patents, trademarks and other intellectual property rights; any breaches of, or interruptions in, Quanergy's information systems; fluctuations in the price, availability and quality of electricity and other raw materials and contracted products as well as foreign currency fluctuations; Quanergy's ability to utilize potential net operating loss carryforwards; changes in tax laws and liabilities, tariffs, legal, regulatory, political and economic risks. The foregoing list of potential risks and uncertainties is not exhaustive. More information on potential factors that could affect CCAC's or Quanergy's financial results is included from time to time in CCAC's public reports filed with the SEC, including its Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K as well as the other documents CCAC has filed, or will file, with the SEC, including the final amended registration statement on Form S-4 that will include proxy statements/prospectus that CCAC will file with the

SEC in connection with CCAC's solicitation of proxies for the meeting of shareholders to be held to approve, among other things, the proposed Business Combination. If any of these risks materialize or CCAC's or Quanergy's assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither CCAC nor Quanergy presently know, or that CCAC and Quanergy currently believe are immaterial, that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect CCAC's and Quanergy's expectations, plans or forecasts of future events and views as of the date of this press release. Neither CCAC nor Quanergy gives assurance that either CCAC or Quanergy, or the combined company, will achieve its expectations. CCAC and Quanergy anticipate that subsequent events and developments will cause their assessments to change. However, while CCAC and Quanergy may elect to update these forward-looking statements at some point in the future, CCAC and Quanergy specifically disclaim any obligation to do so, except as required by law. These forward-looking statements should not be relied upon as representing CCAC's or Quanergy's assessments as of any date subsequent to the date of this press release. Accordingly, undue reliance should not be placed upon the forward-looking statements.
